

New Product Announcement!

Ubi_Launcher™

Designed and Made In Canada, eh!
Only by MVP Sports

"You won't find a more affordable, lightweight, or durable bowls delivery aid around! For those who suffer from arthritis, the Ubi_Launcher™ requires no real hand grip strength like some other delivery aids. It comes with an adjustable handle suitable for players of all heights. Best of all it takes only minutes to master but will add years of bowling enjoyment to those who use it!" - The Delivery Doctor

Ubi_Launcher IS AVAILABLE NOW!
CONTACT MVP SPORTS FOR DETAILS!

With the Ubi_Launcher™ bowlers can once again enjoy their beloved game. Simply set the bowl and deliver with the same aid!

It's as simple as "Set and Deliver" with the MVP Sports Ubi_Launcher™

What are you waiting for?

- Save your throbbing knees!
- Save your wonky hips!
- Save your aching back!
- Stop taking divots from your greens!

Start enjoying Bowls again...

- Order your Ubi_Launcher today!

Ubi_Launcher™ works indoors and outdoors with jacks and all sizes of bowls, from carpet bowls to size 6!

More information about the Ubi_Launcher™ and an instructional video on how to quickly master the use of this incredible delivery aid are posted online at mvp sports.ca.
